ABOUT ACTIA

ACTIA Group is a mid-market company (ETI) founded in 1986. It is at once family-owned and international and its head office is located in France. The family aspect guarantees the long-term future of the Group and its independence with an ever-present entrepreneurial spirit. ACTIA's business is to design and produce electronics to control systems in the particularly demanding fields of the automotive, rail, aeronautics, space, defence, power and telecommunications industries.

The commitments made by ACTIA are reflected in the Group's ambitious contributions to addressing societal issues: mobility, connectivity, safety and the environment. Control over the design and production of products bearing the ACTIA signature is a true guarantee of quality. Without exception, all Group employees share this belief in quality in a fully certified environment.
